Yasutomo's FOLD EMS Origami paper isn't just for folding. Use these beautiful and unique patterns to create unlimited possibilities.

Start with either the Artist's Sketch Box with Palette or Pencil Easel Box by Art Alternatives: Both are customizable, affordable and convenient storage options.

Use any type of glue, Mod Podge or non-spray adhesive such as LetraTac to apply your designs. Apply different media such as acrylic paint, colored pencils or pens to personalize your design.
